

Copenhagen Peripheral Nerve Surgery Course 2019

September 11-13

**A hands-on course for all surgeons with an interest in
peripheral nerve surgery**

Department of Neurosurgery, Copenhagen University Hospital and
The Anatomy Department, the Panum Institute.

www.peripheral-nerve-surgery.com

Course Directors:

Kåre Fugleholm, Consultant Neurosurgeon, Dept of Neurosurgery
Rigshospitalet, Copenhagen University Hospital
Lars Bøgeskov, Consultant Neurosurgeon, Dept of Neurosurgery
Rigshospitalet, Copenhagen University Hospital

Faculty:

Lynda Jun-San Yang, M.D., Ph.D.

Clinical Associate Professor, Neurological Surgery, University of Michigan, Ann Arbor, Michigan

Michael Fox, MD, MB BS BSc (Hons) FRCS (Tr & Orth)

Consultant, the Peripheral Nerve Injury (PNI) Unit at the Royal National Orthopaedic Hospital Trust, Stanmore, London.

Marco Sinisi, MD

Consultant, the Peripheral Nerve Injury (PNI) Unit at the Royal National Orthopaedic Hospital Trust, Stanmore, London. Honorary Senior Lecturer in Nerve Surgery at Imperial College, London.

Ridvan Alimehmeti, MD, PhD

Associate Professor in Neurosurgery, University Hospital Center “Mother Theresa”, Tirana, Albania.

Vagn Eskesen, MD, DMSc,

Consultant Neurosurgeon, Department of Neurosurgery, Rigshospitalet, Copenhagen University Hospital.

Kåre Fugleholm, MD, PhD, DMSc, FRCS (Eng),

Consultant Neurosurgeon, Department of Neurosurgery, Rigshospitalet, Copenhagen University Hospital, Senior Lecturer in Neurosurgery, University of Copenhagen

Lars Bøgeskov, MD,

Consultant Neurosurgeon, Department of Neurosurgery, Rigshospitalet, Copenhagen University Hospital.

Ove Bergdal,

MD, Junior Consultant, Department of Neurosurgery, Rigshospitalet, Copenhagen University Hospital.

Course Secretary

Cecilia Eliasson

karin.cecilia.eliasson@regionh.dk

Tel.: +45 35452943

Participants:

The course is aimed at all surgeons with an interest in peripheral nerve surgery.

Objectives:

To improve skills for peripheral nerve surgery by means of lectures, demonstrations, and anatomical dissections.

Course set-up:

Lectures, demonstrations and hands-on sessions. Two participants per specimen. Each station is equipped with two sets of surgical instruments supplied by KeboMed and two sets of surgical loupes with headlights, supplied by ExamVision.

Copenhagen Peripheral Nerve Surgery Course 2019

Wednesday 11th

11.45-12.00

Registration and light snack

12.00-12.15

Welcome

12.15-12.45

Entrapment in the upper extremity.

Endoscopic and open carpal tunnel decompression – Ulnar nerve decompression – anterior interosseus nerve decompression.

Ove Bergdal

12.45-13.00

The radial nerve. *Typical lesions and surgical approach. Posterior interosseous nerve decompression.*

Marco Sinisi

13.00-17.00

Hands on + demo (Bergdal/Sinisi)

19.00 Faculty dinner

Thursday 12th

7.45-8.00

Coffee

8.00-8.30

Lectures

Degeneration and regeneration in the peripheral nervous system – the basics.

Degeneration - classification of nerve injuries – regeneration.

Kåre Fugleholm

8.30-8.45

Surgical management of peripheral nerve tumors.

Classification- when to worry, and about what?-surgical technique – case review.

Lars Bøgeskov

8.45-9.00

Entrapment in the lower extremity.

Meralgia paraesthetica – Morton's metatarsalgia – Tarsal tunnel syndrome.

Kåre Fugleholm

9.00-9.15

Neurolysis and nerve anastomosis techniques

End to end suture after transection lesion - sural nerve graft – fascicular dissection - nerve transfer technique

Ridvan Alimehmeti

9.15-12.15

Hands on + demo
(Fugleholm/Fox/Alimehmeti)

12.15-13.00

Lunch

13.00-13.25

Lecture

Sciatic/peroneal/tibial nerve exploration, tendon transfer.

Sciatic nerve - tibial nerve- superficial and deep peroneal nerve, sural nerve - posterior tibial tendon transfer

Michael Fox

13.25-17.00

Hands on + demo (Sinisi/Fox)

20.00 Course Dinner

Friday 13th

7.45-8.00

Coffee

8.00-8.15

Lecture

Thoracic outlet syndrome.

Upper plexus – scalenotomy – cervical rib.
Vagn Eskesen

8.15-8.45

Lecture

Brachial plexus surgical anatomy.

Supraclavicular and infraclavicular access – plexus dissection

Lynda Yang

9.15-12.15

Hands on + demo (Eskesen/Yang)

12.15-13.00

Lunch

13.00-13.20

Lectures

Upper extremity proximal nerve transfers

Ridvan Alimehmeti

13.20-13.40

Upper extremity distal nerve transfers

Michael Fox

13.40-17.00

Hands on + demo
(Fox/Yang/Sinisi/Alimehmeti)

Fee and Registration

We have facilities for 24 participants. Registration is on a “first come first served” basis. Registration is valid when the fee is received. Payment will only be drawn from the credit card if registration is still open, and you will receive e-mail confirmation when registration is complete.

Course fee: DKK 6750 (approximately € 900)

The fee includes lectures, hands on sessions, coffee and snacks, lunch September 12th, and 13th and course dinner September 12th.

Accommodation is not included.

Cancellation policy: The fee will be refunded less Dkr 100 in administration fee up till 30 days before the course. After this, refund will depend on replacement by another participant from the waiting list and cannot be guaranteed.

Registration: Follow the registration link below

Suggested hotel:

Hotel Cabinn Scandinavia DKK 495 + breakfast DKK 75, single room, also within 20 min. walking distance.

Course location: The Panum Institute, The Dissection Room
Blegdamsvej 3, 2200 Copenhagen N
